

COMPASS PROPERTY MANAGEMENT

We are noticing many families struggling financially in West Michigan. It can be helpful for someone else's eyes to see the numbers. We would be happy to sit down with you to work on a monthly budget for your family. This would be a free service, please call our office at 616-452-4200 if you would be interested in talking about it (this form has gone out to several families; not intended to be directed to any one individual, if you don't need help please pass this on to someone who might).
